

# A HEART FOR MISSIONS

# THANK YOU!

Crystal and I, along with our entire pastoral team want to extend a heartfelt “thank you” to each one who has contributed to the ministry of New Life Church over the past 12 months. Hundreds of you gave, served, prayed and participated in the work of the Lord. We know there is a double blessing on giving which positions you to share in all the outcomes we accomplished together.

We also want to invite you to look ahead to 2024. Our word of the year in 2023 and into 2024 is “missional.” It means we have a heart for missions — locally, regionally and globally. It means we want to reach more people for Jesus than any year behind us! Part of that involves partnering financially with people and organizations who are vetted and anointed. Each of them possess the GET TO spirit that we love here at New Life.

Being missional also means loving you and loving locally. We have two thriving campuses here in the East Bay where we provide Sunday services and many kinds of ministries. Not only are they here to build you up and send you out healthy and equipped, but they are places ready for more of your neighbors, family, and coworkers too. New Life has always been a place that makes it easy for people to find Jesus and grow in Him.

**During our current series, called “Blessed To Bless”, please join us in being a part of the 100% of New Lifers who each do their part in raising \$500,000 for missions.**

Look over the following pages and let God stir your heart for missions. Plan on filling out a Missions Commitment Card and turning it in to reflect your faith, generosity, and commitment to being missional with us.

Let’s be grateful for the past, but focused on what is ahead. **We GET TO do this!**

# OPEN ARMS

"Open Arms recently celebrated its 10 year anniversary in La Mision where 75 children are off the streets. They are in a safe place during the day learning about the love of Jesus and no longer at risk of being picked up by the Mexican government and taken to orphanages. This October, we received an award by the Mexican Government for being the best childcare provider in all of Baja!

In March 2017, we launched a church plant in Camalu and recently had our biggest service yet - 276 people! Too many to count have given their lives to Christ, and the church is growing every Sunday. God is moving! Thank you NLC for your love, prayer and continual support. We couldn't do all we do without you!"  
*- Heidi and Daniel Eliarraraz*

New Life Church will continue to provide leadership oversight and financial support to Open Arms.

# CONVOY OF HOPE

As a faith-based, non-profit organization, Convoy of Hope has helped more than 80 million people in 114 countries by sharing food, water, emergency supplies, agricultural know-how, and opportunities that empower people to live independent lives, free from poverty, disease and hunger. Convoy of Hope does this through mobilizing tens of thousands of volunteers each year and partnering with churches, businesses, individuals and other humanitarian organizations who are intent on doing good work among the impoverished and suffering. Since it began, Convoy of Hope has served over 80 million people, provided more than 220 million meals, mobilized 538,837 volunteers to help families and survivors of disasters and distributed over \$718 million worth of food.

# PROJECT RESCUE

Project Rescue exists to rescue and restore victims of sexual slavery through the love and power of Jesus Christ. Last year, Project Rescue ministered to over 40,000 women and children through holistic multifaceted programs, that aim to provide a safe environment for transformation and growth. Every day lives are restored and destinies are changed through prevention, after school programs, night care shelters, HIV/AIDS medical clinics, Red Light District churches and sunday schools, vocational training and more. In the midst of darkness, God's light shines so bright! Please pray for Project Rescue as they reach out with the love of Jesus.

# ONE HOPE

One Hope's goal is to reach every child in every nation with the Gospel. While they reach 194 children every minute, translate material in 140 languages, are active in 120 countries and broadcast their story of hope on 315 programs, they are looking ahead to the hundreds of millions of children and young people worldwide yet to be reached. In fact, their goal in 2018 is to reach 102 million additional kids with the Gospel through partnerships with churches, non-profits, schools and governments around the world.

## CHILDREN OF FAITH & NEW LIFE CHURCH (INDIA)

Anand and Rosie left their careers and the American dream and followed their calling to help poor and orphaned children in India. Over the years, they have been able to help thousands of children get a safe home, a high-quality education, and show them the love of Jesus. They are also pastors of New Life Church, India and have also started two more churches. Their mission is to bring world-class education and a transformational environment to ultra-poor children in rural India and also train pastors and help in church planting.
